## REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Plan Administrator of  
Moog Inc. Employee Stock Purchase Plan

### Opinion on the Financial Statements

We have audited the accompanying statements of net assets available for benefits of the Moog Inc. Employee Stock Purchase Plan (the Plan) as of September 30, 2022 and 2021, the related statements of changes in net assets available for benefits for the years ended September 30, 2022, 2021, and 2020 and the related notes to the financial statements (collectively, the financial statements). In our opinion, the financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of September 30, 2022 and 2021, and the changes in net assets available for benefits for the years ended September 30, 2022, 2021, and 2020, in conformity with accounting principles generally accepted in the United States of America.

### Basis for Opinion

These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on the Plan's financial statements based on our audits. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Plan in accordance with U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud.

Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

Employees owning shares representing 5% or more of the total combined voting power or value of all classes of Company stock are not permitted to purchase any shares of Company common stock under the Plan.

The initial offering period under the Plan began on September 1, 2017 and ended on December 31, 2017. After the initial offering period, all subsequent offering periods are a six-month period beginning on January 1st and July 1st of each year (the "Offering Period"). Each eligible employee may enroll in the Plan during the open enrollment period, which is typically the month prior to the start of an Offering Period.

#### Contributions

Plan participants may contribute from 1% to 15% of the participant's compensation, as defined in the Plan, through payroll deductions during the Offering Period. Participants may increase, decrease or suspend their withholding percentage during the enrollment period, effective for the next offering period. The Company holds contributions until the end of the Offering Period at which point the Company issues shares for the contributions received. In accordance with the Plan, the Company has no obligation to segregate employee payroll deductions from any other funds of the Company or to hold funds representing the same pending application of such amount to the purchase of shares at the end of each Offering Period.

Any contribution amount remaining after the purchase of whole shares of common stock at the end of an Offering Period is held in the participant's account for the share purchase in the following offering period.
